

**REMARKS**

The Office Action dated October 25, 2006 has been reviewed carefully, and the application has been amended in response thereto.

***Election in Response to Restriction Requirement***

A Restriction Requirement was entered in which the Examiner has determined that the following inventions are presented in the application: Group I is comprised of claims 1-10, 15 and 16 drawn to a method of determining resistance in a fuel cell. Group II comprises claims 11-14, which are drawn to a system of measuring resistance of a fuel cell means.

Applicant hereby elects to prosecute the invention of Group I, which includes claims 1-10, 15 and 16, without traverse.

Claims 11-14 have been withdrawn herein, in response to the Restriction Requirement.

Please do hesitate to contact the undersigned in order to advance the prosecution of this application in any respect.

Please charge any additional fee occasioned by this paper to our Deposit Account

No. 03-1237.

Respectfully submitted,
